DETAILED ACTION

1. Claims 1-9, 15, 16 and 21-23 are pending. Applicant cancelled claims 10-14 and 17-20.

Claim Rejections - 35 USC § 103

2. Claims 1-9, 15, 16 and 21-23 are rejected under 35 U.S.C. 103(a) as being unpatentable over DiBiasse, US 6,928,412 in view of Hoskins et al., US 6,268,853.

DiBiasse discloses, e.g. Figs. 1-13, a display device, e.g. computing device with a memory, for receiving input data concerning physical characteristics of a product to be manufactured at various stages, e.g. claims 1-20, and a plurality of suppliers, e.g. vendors.

Hoskins discloses a split screen for simultaneously displaying and analyzing data at various stages.

To have provided a split screen for displaying and analyzing data at various stages for DiBiasse would have been obvious to one of ordinary skill in the art in view for Hoskins. The motivation for having done such would have been using well known and common technology to analyze well known and common knowledge manufacturing cost data. The later of which had been analyzed by paper, pencil/pen and hand. Official Notice of such is taken. To have provided such on a split screen display device is not deemed novel.

Applicant's REMARKS have been reviewed, but are considered moot in light of the new grounds of rejection.

3. Further references of interest are noted on the attached PTO-892.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
